

HAND IN HAND FOR A WONDERFUL LAND

The sixth meeting was in Verona from 17th November to 21st November.

1st day

I left Marcali with my schoolmates and teachers at 8 am and we got to Verona at 4pm. We had a rest with our teachers and then we met our host family. Although I had chatted with my host family, I was very excited.

I stayed at a very nice family. The mother, Barbara, is a really good cook, the father, Paolo, is funny and their son Michael is fifteen years old. Anna was my host friend. She is a very nice twelve-year-old girl. They have a cute cat, called Tigo!!!

2nd day

We got up at 7 am and we met the other students at 8 am at Fincato Rosani Secondary School. The welcoming programme was interesting. The Italian students gave a concert, danced and we saw a video film about Verona and its monuments. After that I could take part in a music lesson. It was very enjoyable because every student in the lesson had and played a musical instrument.

In the afternoon we visited the town hall. We had lunch in a restaurant near Verona. Then we visited the Bertani wine cellars and the Redoro Oil mill.

In the evening I had a good pizza with Anna's friends in a restaurant. I went to bed late at about 11 pm.

3rd day

I had a wonderful day in Venice. We visited Saint Mark's Basilica, had lunch, fed the pigeons on the Saint Mark's Square and went shopping. I bought some postcards, some key holders and a mask. I spent the evening with my host family.

4th day

We spent our morning at school again. The Italian students taught us some folk dancing. After that we made some pairs of earrings in the recycling laboratory. While our teachers were having a meeting we were taking part in a knowledge quiz about Europe. After lunch I visited a maths lesson which was different from our lesson.

In the afternoon we took a walk in the town. We visited the Colosseum, the Wall of Love, Juliette's balcony and a museum. After that I ate a delicious pancake in a big square.

In the evening we had dinner and then a party with our new friends, the families and the teachers. We danced, played games and had fun together. Actually, it was our farewell party. We got some presents from the Italian hosts in the name of the school.

5th day

I said goodbye to my host family. We left Verona at about 7:30 am and we got home at 3 pm.

I had a really good time in Verona. It is a beautiful town. My host family was very nice. I would like to meet them in the future. I made good friends with girls from different countries. We swapped telephone numbers and we are friends on Facebook now.
